

To whom it may concern,

It's my absolute pleasure to recommend Pawel Pilipczuk for an HSE role with your Company.

Pawel and I worked at Techimp Impianti Spa at Mochovce Nuclear Power Plant for about 1 year between 2016 and 2017.

I thoroughly enjoyed my time working with Pawel, and came to know him as a truly valuable asset to absolutely any team. He is honest, dependable, and incredibly hard-working. Beyond that, he is an impressive individual who is always positive and reliable.

His knowledge and expertise of scaffolding regulations and Working at Height, was a huge advantage to our entire office. He put this skillset to work in order to ensure the respect of regulations and safety system of work.

Along with his undeniable skills, Pawel has always been an absolute joy to work with and with time we have become very good friends. He is a true team player, and always manages to foster positive discussions and bring the best out of other employees.

Without a doubt, I confidently recommend Pawel to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your organization.

Please feel free to contact me at giuseppe.liggeri@iremspa.it should you like to discuss Pawel's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes

Giuseppe Liggeri
